COVID-19 UPDATES FROM NOVA SCOTIA WORKS

Nova Scotia Works welcomes the Government's gradual re-opening of business across the Province!

We are currently working through the list of government guidelines around re-opening our facilities so we can ensure the safety and wellbeing of our staff and community.

We will let you know when we are re-opening as soon as we are able to do so. In the meantime, we will continue to offer services remotely.

Please follow our social media platforms for service information and re-opening updates.

Thank you for your patience!
We look forward to seeing you soon!

Virtual employment services remain available to Nova Scotia job seekers and employers
